Alexandria, VA 22313-1450

Sir:

The Applicants sincerely appreciate allowance of their patent application.

The Notice of Allowability indicates that an Information Disclosure Statement (IDS) filed on January 3, 2005 has not been considered because it fails to comply with the applicable requirements.

It is noted that the IDS filed on January 3, 2005, was a copy of an IDS which was filed on December 15, 2003. The December 15, 2003 IDS complied with all of the applicable requirements, but has not been acknowledged by the Examiner.
